

# **CHARLES COUNTY CREATIVE PROBLEM SOLVERS DESTINATION IMAGINATION INSTANT CHALLENGE DAY**

**DATE:** 30 January 2010

**TIME:** 12:30 to 3:30 p.m. (Registration starting at 12:00)

**WHERE:** Mattawoman Middle School

**COST:** \$20 per team

## **HOW DOES IT WORK?**

- Each team is paired with another team (not one they would compete against).
- A short workshop on strategies for doing instant challenges will be presented and videos shown of one or more teams doing IC.
- Teams then rotate through various instant challenges – teams alternate performing and observing (I e. Team 1 does challenge while Team 2 watches, next challenge they would switch places).
- Each team should get to solve up to 4-5 IC's and observe their partner team solving 4-5 IC's.
- Each challenge will have one or more facilitators/appraisers that will be responsible for timing challenges, etc., and providing feedback to each team on their solution.

## **REQUIREMENTS**

- Each team will need to pay \$20 registration fee in advance. Checks made payable to CCPS.
- Each team **MUST** register no later than 23 January 2010 (for materials and team pairing).
- Each team **MUST** come with at least one team manager that stays with them the entire time.
- Each team **MUST** provide a facilitator (this cannot be the team manager). These facilitators will need to arrive at Mattawoman at approximately 11:30 to be trained and become familiar with their challenges. Facilitators must be 18 years old. IC Day is being held directly after appraiser training so one option would be to ask your appraiser if they could stay.
  - Teams must be from Charles County.
- Register early, space is limited and will be on a first-come, first-served basis.

## **OPTIONAL**

Team managers may want to bring snacks/drinks for team.

Team managers are encouraged to videotape performances and give a copy to Shelly Yost (we would like to put together a DVD of teams doing IC to have for the future).

## **HOW DO I SIGN UP?**

Return attached Registration form, payment, and media releases to Shelly Yost no later than 23 January 2010.

## **QUESTIONS?**

Contact Shelly Yost at [yostgreen@verizon.net](mailto:yostgreen@verizon.net) or (301) 870-6573
