Parking

Arrival & Unloading

- Team Manager **check-in at the Upper School main entrance**
- **Engineering unload props at the Middle School main entrance**
- **All other challenges unload at the Upper School main entrance**
- Be mindful of other teams who need the space and do not leave cars unattended
- Plan enough time to re-park cars with a short walk across campus after unloading
- Each challenge has a check-in time 20 minutes before the performance time (& 60 minutes early for our Engineering teams!)

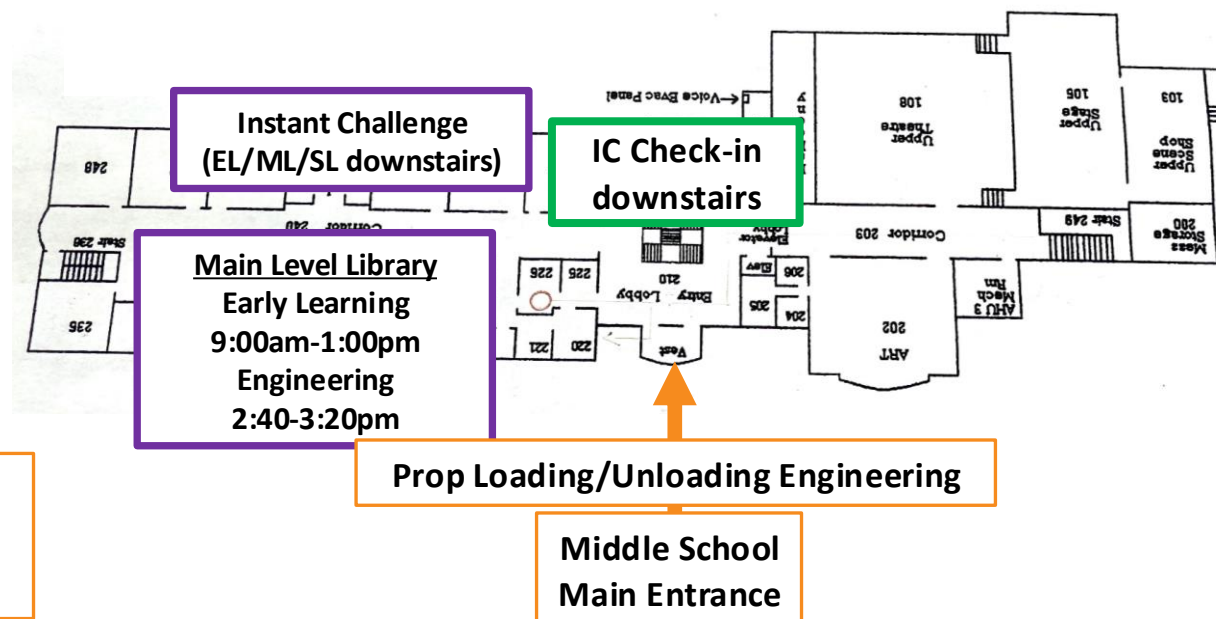

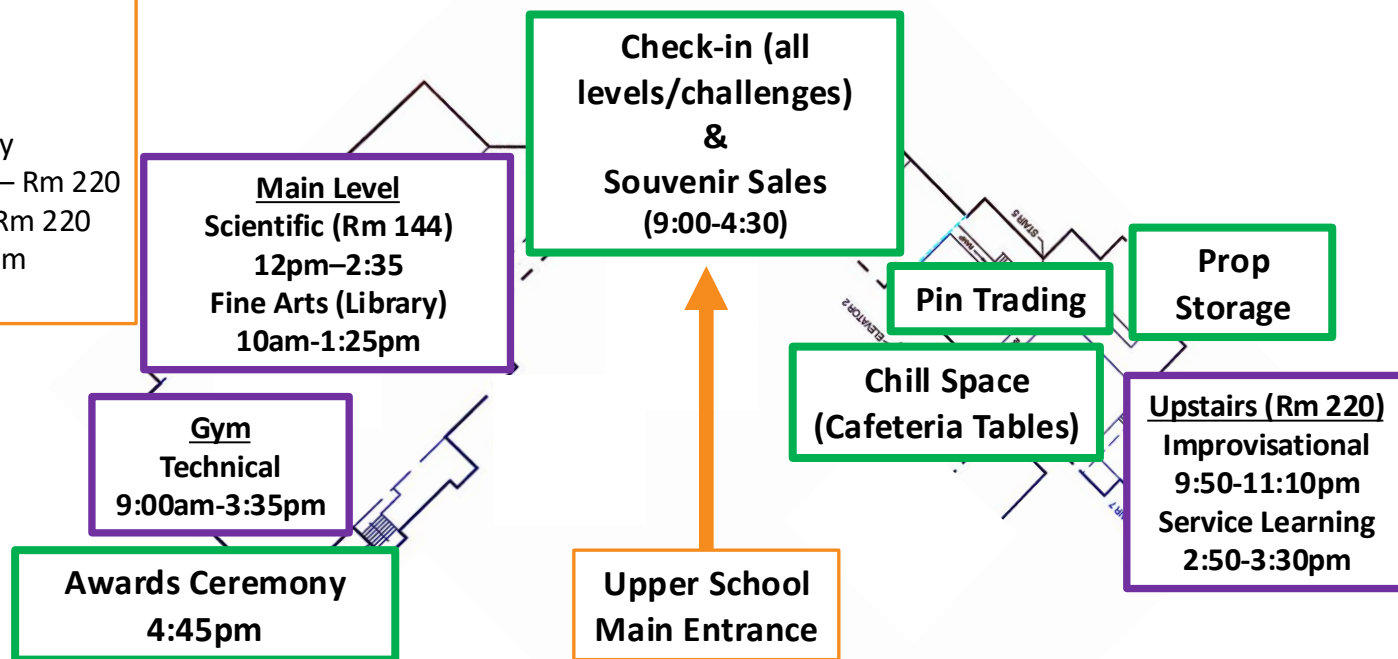

Parking

After entering the main campus, drive past the athletic fields & **follow signs & attendants for parking**.
Parking Lots are available at the Upper School or Middle School with additional parking spots available at several locations further down the road at the back of campus.

PLEASE DO NOT PARK IN THE GRASS except in
designated fields you may be directed to by staff that day, weather permitting
